MATERIAL SAFETY DATA SHEET

Issue Date: 8/21/19

1. Identification of the Substance / Mixture and of Company / Undertaking

1.1. Product Name: Saniderm Omega-7 Sea buckthorn Oil Soft Gels

1.2. Relevant Identified Uses of the Substance or Mixtures: Nutritional Supplement

Manufacturer: Saniderm Medical LLC
Po Box 660
Lehi, UT 84043-1156
Contact: 626-386-3376

2. Hazards Identification

2.1. Classification of Substances and Mixtures: Classification according to the Regulation (EC No: 1272/2008)

2.2. Label Elements

2.2.1. Pictogram: Not applicable

2.2.2. Signal Word: Not applicable

2.2.3. Hazard Statement: Do not exceed recommended dosage. Keep out of reach of children.

2.2.4. Precautionary Statement: If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medication, or have a medical condition, consult your physician or healthcare professional before taking this product.

2.2.5. Hazard Symbol: -

2.2.6. R-Phrases: -

2.2.7. S-Phrases: -

2.3. Other Hazard Information: Not applicable

3. Composition Information on Ingredients

3.1. Chemical Entity: Sea buckthorn Pulp Oil, Sea buckthorn Seed Oil, Tapioca Starch gelatin, Glycerin, Water

4. First Aid Measures

4.1. Description of First Aid Measures

Consumption: Stop consuming.

Eye Exposure: Flush immediately with water for at least 15 minutes. Contact physician if symptom persists

Inhalation: None to be reported

Skin Exposure: Rinse skin with water

4.2. Most Important Symptoms and Effects Both Acute and Delayed

Consumption: None to be reported

Eye Exposure: None to be reported

Inhalation: None to be reported

Skin Exposure: None to be reported

5. **Firefighting Measures**
   - **5.1. Extinguishing Media:** Carbondioxide, Dry Chemical, Foam. Do not use direct water jet on burning material
   - **5.2. Special Hazards Arising from the Substances or Mixtures:** Not applicable
   - **5.3. Advice for Fire Fighters:** Avoid inhalation of generated fumes or vapors, use appropriate respiratory equipment. Do not allow the spillage of fire extinguishing to sink into a drainage system or water area.
   - **5.4. Further Information:** Not applicable

6. **Accidental Release of Material**

   - **6.1. Personal Precautions, Protective Equipment and Emergency Procedures:** Avoid inhalation and contact with skin and eyes.
   - **6.2. Environmental Precautions:** Do not discharge into any drains, surface waters or ground waters
   - **6.3. Methods and Materials for Containment and Cleaning Up:** Remove ignition sources. Provide adequate ventilation. Avoid excessive inhalation of vapors. Gross spillage should be contained by use of sand powder or inert powder and disposed according to local regulations.
   - **6.4. Others:** See heading 13

7. **Handling and Storage**

   - **7.1. Precautions for Safe Handling:** Apply according to good manufacturing and industrial hygiene practices with proper ventilation. Do not drink or eat while handling. Respect good personal hygiene.
   - **7.2. Conditions for Safe Storage, Including Any Incompatibilities:** Store in cool dry and ventilated area away from heat sources and protected from light in tightly closed container.
   - **7.3. Specific End Uses:** Not available

8. **Exposure Controls / Personal Protection**
   - **8.1. Control Parameters:** Declaration of substance is not required.
   - **8.2. Exposure Controls:**
     Eye Protection: Use chemical safety goggles
     Respiratory Protection: Avoid excessive inhalation. Apply local ventilation where appropriate.
     Skin Protection: Use chemically resistant gloves.

9. **Physical and Chemical Properties**
   - **9.1. Appearance**: Orange-Yellow Viscous Oil
     Odor: Characteristic earthy fruity odor
     pH: Not determined
     Melting Point / Freezing Point: Not determined
     Boiling Point: Not Determined
     Flash Point: >100 deg C
     Auto Inflammability: Not Determined
     Explosive Limits: Not Determined
     Vapor Pressure: Not Determined
     Relative Density: Not Determined
     Solubility: Soluble in alcohol
     Partition Coefficient: Not Determined
     Viscosity: Not Determined
     Explosive Properties: Not Determined
     Oxidizing Properties: Not Determined
     Specific Gravity: Not Determined
     Optical Rotation: Not Determined
     Refractive Index: Not Determined

9.2. Other Information: Not Available

10. Stability and Reactivity

10.1. Reactivity: Not available

10.2. Chemical Stability: Stable under normal operating conditions.

10.3. Possibility of Hazardous Reactions: Does not undergo any dangerous reactions under normal conditions

10.4. Conditions To Avoid: Avoid excessive heat, sparks or flame

10.5. Incompatible Materials: Not known

10.6. Hazardous Decomposition Products: Carbon monoxide and other unidentified organic compounds may be formed upon combustion.

11. Toxicological Information

11.1. Information on toxicological effects: Refer to headings 2 and 3

12. Ecological Information

12.1. Toxicity: No data available

12.2. Persistence and Degradability: Not available

12.3. Mobility in Soil: Not available

12.4. Results of PBT and VPvB Assessment: Not determined

13. Disposal Considerations

13.1. Waste Treatment Methods: Avoid disposal into drainage systems and into environment. Dispose in accordance with all federal , state and local environment regulations

14. Transport Information

14.1. UN Number: Not applicable

14.2. UN Proper Shipping Name: Not applicable

14.3. Packing Class: Not applicable

14.4. Packaging Group: Not applicable

14.5. Special Precautions for User: Not applicable

15. Regulatory Information

15.1. Safety, Health and Environmental Regulations / Legislations Specific for the Substance or Mixture

Hazard Symbol: -

R-Phrases: -

S-Phrases: -

15.2. Chemical Saftey Assessment: Not available

16. Other Information: Not available

The information in this material safety data sheet is based on the properties of the material known to SIL at the time of the MSDS was issued. The MSDS is intended to provide information for ta health and safety assessment of the material and the circumstances under which it is packaged, stored or applied in the work place.

Approved by : Manager, Quality Control
